To,

Hon'ble Member of Parliament, Ladakh,
Shri Jamyang Tsering Namgyal.

Subject: Request for Assistance to Retain Megha Engineering & Infrastructure Limited (MEIL) as Our Valuable Customer.

Dear Sir,

I trust this letter finds you in good health. As a fellow member of our political party, I want to convey my sincere appreciation for your ongoing support.

Over time, Megha Engineering & Infrastructure Limited (MEIL) has been a valued customer at our Titichumik Filling Station, relying on our high-quality petroleum and diesel services. While we cherish this business relationship, recent changes have indicated a shift in Megha Construction's purchasing preferences.

Knowing your consistent support, I am reaching out to seek your guidance and assistance in encouraging Megha Construction to reconsider our filling station for their petroleum and diesel needs. Your influence can play a vital role in maintaining this valuable partnership.

Thank you for considering this request. I am optimistic for a positive outcome and deeply appreciate your continued support.

Warm regards,

Fida Ali
Manager
Titichumik Filling Station,
Titichumik, Baroo,
Kargil, Ladakh 194105.
