

# Mandela food products

**"Khaoge healthy tabhi toh rahoge healthy"**

## **Main area of focus:**

- Organic Food processing
- Organic food brand
- Mountain Herbs and spices
- Traditional authentic foods

Mandela Food Products is a company that is dedicated to providing healthy and natural food options to consumers. Based in the beautiful mountain region of Ladakh, Mandela Food Products sources its ingredients from local, organic farms and uses traditional processing methods to retain the maximum nutrition and flavour in its products. Mandela Food Products has a range of options for those looking to make healthier food choices. All of their products are free from artificial preservatives, additives, and genetically modified organisms, making them a perfect choice for those who value sustainability and natural living. From start to finish, we are committed to providing our customers with delicious, natural, and organic foods that are good for them and the planet.
